

ABC Breakfast Radio 22nd July

MTS Brisbane President (Capt Ross Nicholls) was interviewed this morning by Craig and Loretta.

The topic was the seafarer air-lifted from the Container Ship – Hokkaido Bulker with Covid-19.

The ship is at anchor 17km off the coast of Mooloolaba.

Ross was able to acknowledge the Care Packages sent to the ship today with the assistance of Brisbane Marine Pilots. Also he mentions the plight of all seafarers under quarantine conditions on ships throughout the world.
