

MTS Brisbane Strategic Planning Workshop

President Ross Nicholls, Committee members and Supervisors met at Brisbane Seafarers' Centre on 7th October in a workshop conducted by Jenny Robertson and Kellie Hunt of Board Matters.

 **BOARD MATTERS**

A productive day was spent reviewing the Mission Statement, Vision and the Values of our organisation with our focus on Brisbane Centre.

In these changing and challenging times, it is important to have in place such documents as a part of our corporate governance. It will also assist in our gaining corporate support and engaging volunteers, as it will succinctly identify who we are and what we do.

More work is being done by the Committee to finalise these statements and the results will be published soon.
