## Seafarers Centre

## Fishermans' Island

The Brisbane Centre is within the Port of Brisbane complex and leased from POBL.

The building was due for major roof repairs and the work was scheduled for late November and December by POBL.

As well as replacing the roof and gutters, the solar panels had to be removed, cleaned and reinstated.

While the work was in progress the doors were closed for workplace health and safety reasons.

However, the online shop continued to operate through the assistance of Brisbane Marine Pilots who provided some temporary accommodation.

The Centre reopened on 7<sup>th</sup> December.
