

To all our Committee, Volunteers, Donors and Supporters,

I'd just like to take this opportunity to wish you and your loved ones a Happy New Year, with hopefully your health, happiness and safety at the top of the must have list for 2021.

It has been a year with several curved balls being thrown but I believe we have navigated it safely and appropriately and hopefully positioned ourselves to withstand another year of potential uncertainty for our service to seafarers.

Thank you for your support and efforts throughout this year and I hope we can all work harmoniously alongside each other with our primary goal of taking the Mission successfully into the future for 2021 and beyond.

Best wishes
